RACING TIRE

**Lakeville, IN** - (February 15, 2018) - The long anticipated wider A7 tire for 15" wheels used for Solo Competition has finally arrived. For those autocross competitors seeking more grip and speed throughout their autocross course, Hoosier's widest 15" tire will fit the bill. The New P295/35ZR-15 offers a short 23"0 diameter with our widest A7 for 15" wheels coming in at 10.9" wide.

This tire will fit nicely on a 10" - 11" wide wheel and will only come in the A7 tread compound at this time.
